

Final

The Honorable Rodney P. Frelinghuysen
House of Representatives
Washington, DC 20515-3011

Opening includes
bottom line -
looking forward to
working with the
Congressman.

Dear Congressman Frelinghuysen:

Thank you for your letter of welcome. I look forward to working with you during my tenure as Administrator of the Federal Aviation Administration.

Active verbs clarify
that FAA will
address concerns.

I understand the sensitivity of the public in general, and your constituency in particular, to aircraft noise. While reducing noise is not one of the primary goals of the airspace redesign project, we will address noise and other environmental impacts under our National Environmental Policy Act responsibilities.

Body is shorter,
tighter.

I would welcome a meeting with you to discuss this project further. In the meantime, if you or your staff have any questions, please feel free to call me or David Balloff, Assistant Administrator for Government and Industry Affairs, at (202) 267-3277.

Sincerely,

Marion C. Blakey
Administrator
